\$23,320.00. Settlement Administrator shall distribute checks of equal amount to each Class Member eligible to receive payment under this Paragraph.

2. The correction to the Settlement Agreement has been considered by the Court and incorporated into its Order granting Preliminary Approval to the Class Action Settlement (Filing No. 69) (“Preliminary Approval Order”), which is based on the Findings and Recommendation submitted by Magistrate Judge Bazis on November 22, 2017. (Filing No. 68).

3. The Preliminary Approval Order remains in full effect. Other than as set forth above, no other term or deadline provided for in the Preliminary Approval Order is altered or changed by this Order.
